

Information for Home-School Teaching

Hi Everyone,

I hope this pack is of some help. There's a lot in it so hopefully it will keep everyone busy. If there is anything that you don't have the resources for feel free to sub anything into it that you feel will work in a similar way. Some of the resources I have included are available on websites. I have included how to log into these websites as I really feel they will be a great asset.

The first is Twinkl. Twinkl is an online teacher resource bank that have opened their website for free to parents. I have included quite a few resources (PowerPoints and interactive stories) so it's quite important. It's very easy to join and I have attached the how to steps underneath:

1. Go to www.twinkl.ie/offer
2. Enter your email and password
3. Click onto parent
4. Enter the code: CVDTWINKLHELPS

The next website I have included is folenonline.ie. This is going to be a great resource for Irish. It will explain how to pronounce words, play games to learn the words and other fun activities. Again, this is a teacher only website that Folen's have opened up to everyone. The children will recognise it straight away as we use it every day in class.

1. Go to www.folenonline.ie
2. Click on the register tab
3. Click on teacher
4. Fill in your details and under roll number enter the code: Prim20
5. After you confirm you're address it will ask you what subjects and what level. Click on Irish and then 2nd class.
6. At the top of the page you will see the green Abair Liom D book.
7. Place the cursor over it and click on the resources tab.
8. Lastly, click on lessons and find the chapter that we are covering E.g. week 1: 24 Ag Obair sa Ghairdín. It will be the Postear in each chapter that we will be covering and that is all you will need.

GoNoodle is a great way to get children active, especially indoors. You can sign up at gonoodle.ie and search whatever activities are included very easily.

I know it's a lot of information, but it will be so worth it in the long run. If you have difficulties with any of these, you can google them and there will be more instructions. A lot of parents will be doing the same at this time so the websites should be very helpful, hopefully no one will need to though.

Lastly, I hope you are all doing well and staying safe at this scary time. Hopefully we will see each other soon heathy and happy.

Kind Regards,

Kate

Week One: March 30th-April 3rd

Theme: Time Capsule

Reading: George's Marvellous Medicine pg 1-25 (if they have read it already it would be great if they could revise over it)

Gaeilge: It is the same Folensonline Postear (lesson 24 :Ag Obair sa Ghairdin) for the whole week and next week

Monday:

Maths: Weight, pg 104

English: Write their news in their news copies, 5 sentences. Look over words for comprehension at the bottom of page 46.

Gaeilge: Folensonline Postear (lesson 24:Ag Obair sa Ghairdin). Amhrán agus Focloir 1

History: Time Capsule worksheet (about themselves)

Religion: The Last Supper Twinkl animation- <https://www.twinkl.ie/resource/tg2-re-7-the-last-supper-motion-story>

Tuesday:

Maths: Weight, pg 105 (use whatever you have at your disposal)

English: pg 46 comprehension and pg 47 activities

Gaeilge: Postear (same as yesterday) Focloir 1 and 2 and amhrán

History: Write a letter to yourself about everything that is going on for you at the moment.

PE: GoNoodle.com, click on the channels tab and find indoor recess. I have included the 12 minute megamix but go with whatever you want.
